ROBAND®

Milkshake Mixers

Easy Clean | Multiple Beater Combinations | Small Footprint | Reliable Performance

Roband milkshake mixers are designed for making perfect thickshakes or milkshakes every time. With a removable easy-to-clean cup support and sturdy wipe-to-clean machine base. Fitted with a Saturn beater for extra fluffy shakes, but also supplied with two alternative beaters so establishments can configure the mixer to best suit their drink menu.

FEATURES

- Available in red, white & black
- 'Hands free' operation when the mixing cup is resting on the cup support
- Separate internally sealed two-speed on/off rocker switch
- Easy clean design with removable cup support and easy to wipe mixer base
- Takes standard 710 ml (24 fl.oz.) cups without tilting to remove. One stainless steel cup supplied
- Powerful two-speed motor, 18,000 RPM on low and 22,000 RPM on high speed
- Patented magnetic actuator, fully sealed for optimum hygiene
- Beater configurations (supplied) -
 - **Saturn Beater** - for extra fluffy shakes
 - **Universal Lower Disk** - for creamy milkshakes
 - **Universal Upper and Lower Disks** for thickshakes, ice cream and soft serve.
