

## New Product Information Sheet.

### Model: PLA-068: Digital Kitchen Timer - Buzzzz Timer

Use this versatile timer to time anything you like!

This timer has an audible alarm as well as vibrating alarm.

A slide switch on the back allows you to easily choose to have just beeping, or, just vibrating or both together.

For example: If you're in a quiet area & your don't want the alarm 'beeping' noise, then use the slide switch on the back & select the centre position.

Time is displayed in 'min' & 'sec' together on a clear digital display.

The hole at the top of the timer will allow you to pop the timer on a lanyard (not included) & hang it around your neck so that you won't miss the timer alert even if you wander off to another area.

Powered by 1 x AAA battery.

..... Perfect and very stylish!
