

Fry a wide variety of products with Dean's Super Runner fryers which easily accommodate items from French fries to schnitzels. The fryers are available 21 litre oil capacity.

Make the most of your energy dollars with Dean's exclusive Thermo-Tube design. The heating tubes provide a large oil contact surface. Flow-tube baffles control the transfer of heat into the oil. Dean's wide cold zone frypot protects oil integrity by trapping debris under the cooking area preventing carbonization of particles and wasteful oil deterioration.

Dean's mechanical thermostat requires no electrical hook-up. Dean's Super Runner gas fryers achieve dependability through simplicity of design, durable stainless steel baffles and rugged cast iron burners. The fryers carry a one-year warranty – parts and labour with a five-year limited

STANDARD FEATURES

- Tube-type frypot design
- Oil capacity 21 litre,
- Frying area 350 x 350 mm,
- Mechanical snap-action thermostat

OPTIONAL FEATURES

- Fish Plate
- Gas Hose with Quick Disconnect
- Castors
