

MANUFACTURER:	Robatherm
CATEGORY:	Hot Water Urns
MODEL / DESC:	UDS10/20/30VP
ORIGIN:	China
WARRANTY:	1 Year

Double Skinned Construction | Stainless Steel or Black Powder Coated | 3 Sizes Available

Designed by Roband and manufactured overseas, Robatherm Hot Water Urns feature a sleek commercial design and a unique mode selector that lets establishments choose between variable temperature control, or a fixed 95 °C setting for consistently perfect hot water. Available in stainless steel finish, or a black powder-coated design, they bring a modern, stylish look to any hot drink station, while their double skin construction helps maintain safe exterior surface temperatures.
